Dear John,

As of late I have not been able to really attune to the higher spheres of life because my energy has been way down due to working so much, but then this morning a beautiful teacher came to me and took me up to the "Third Heaven" or into the Mental Planes.

When he began explaining to me how we had been involved in many past lives and gave me an overview of our different relationships. Sometime I will go into them, but I need to convey something else to you at this time.

After this review of our past service together he began to show me a scene of the time you were Ra in Egypt. Then as the Priest King Ra

you went through an initiation in a Temple
and the initiation was the final one of your
studies to bring you to the level of Priest King
Myself and the teacher who was showing
the scene to me were the two Initiators
for you in that life and he carried
you up into the inner realms for
your final initiation.

Then the teacher who was showing
me the scene showed me that my
energy in this life was needed to help
give you the final push or energy
to get the foundation established as
it is meant to and that was why I
needed to go up and see you when
you sent for me. This is why we
both felt it ~~so~~ vital I came up
but yet not really understanding

2.

the why of it for sure.

This Master I speak of is the Master Jesus. Jesus then showed me that with our energies, yours and mine coming back together again it began a process of unfoldment and today. Sat Oct 17, 1981 was an anniversary very special because it marked the 5,000 anniversary of that spiritual initiation, so today could be a very meaningful day for you & the foundation.

Then Jesus opened the sky and I looked up and there you were as Ra and a woman next to you and the SUN ~~shiny~~ shining behind you as if it was your Aura.

The woman as you then reached out
your hands and presented humanity
a child. The Child was symbolic
of the Foundation (I believe). The
Mother of Humanity received the child
for humanity and thanked you both
for "The glorious Gift of Life."

Then a group of people came in
to view the child. Many people
I didn't know. A few I did, your wife
Bruce someone named Paul, Chuck,
Mike, myself a Dr. from the Middle East
or maybe India. and many more
all came in view the child.

Then you walked over to me and
handed me a beautiful ring, gold with
a large diamond and said for you a gift

to signify our purpose here together.
And then you went to several others
and did the same thing.

That was the experience I had this
morning. Afterwards Jesus bestowed
a blessing on you, your family and
the foundation and the people who
are working with you to bring it about.
The Blessing was the "Light Prayer
of Healing" bestowed on the foundation
a Blessing of healing service to
humanity.

Must close for now & open
the store will invite you more later.
